

From Your Director: God's Unique Stimulus Package

Political and economic leaders around the world are regularly making headlines as they wrestle with attempting to stimulate the global economy. This causes me to wonder, "What stimulates God's economy?" It is our obedience to Him at a rate of 100%. Jesus said, "If you love Me, you will obey what I command." (John 14:15)

Sometimes our obedience comes in the form of stepping out by faith, agreeing to take on a challenging task when we are not sure we are physically equipped for it. I have personally witnessed God's economics in response to such obedience when one of our India mission trip members received her total and complete physical healing from rheumatoid arthritis after she first took the step of faith to travel to Puttur, India last month.

Other times, our obedience is simply giving praise and thanks even in the midst of tremendously difficult times. During such times, we learn true humility; and gloriously, if we offer sincere praise to God our Father, He inhabits it. What an absolutely unnerving and amazing concept! In God's economy, praise and thanks offered in humility are inhabited by God Himself. Are you ready to stimulate God's economy? Join me by praising and thanking God for all that He has done!

Andrew Nimick, Founder/Director

Professor Raji

Rajesh was privileged to give spiritual input to a large group of high school students in southern India. "This program was arranged by the Cathedral of

Tirunelveli Diocese for students preparing for their Annual Exams in March...It was a 2 hour program, and I was invited to the give (30 minutes of) spiritual input for the students. Before my speech, a teacher gave tips on "How to Face Examination" and a Doctor gave tips on "Exam Related Health Issues". Finally it was my turn to give them the spiritual input through captivating story-telling."

At the altar call, "I could see around 40% to 50% of the crowd raised their

hands..." Rajesh acknowledged that, as with students world-wide, they may have responded out of fear of their exams, but "I had done my part, I had shown them Jesus. The seed is planted." He asked for the Lord to lead the honest decisions to local church leaders, as the students come from all over the district. "Glory be to God."

Praise: opportunity to plant seeds in many young lives

Prayer: first baby due in 2 months; discipleship for new believers

Isaiah 43:19

See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland.

Prayer Requests

Newton's, Andaman Islands

- ◆ Praise for the inroads achieved into their community
- ◆ Prayer for "Open Area Meetings" with singing, skits and dances

Rain, Rain, Go Away!

Palabrica and the curious in front of a film screen

On Feb. 22, Elmerson Palabrica located in the Philippines wrote, "These two weeks, I am out to do mission

in the southern Philippines, particularly in the villages of Malita Davao.

"Please pray for good weather - it has been raining here - that the people will come and bring their open hearts to hear the good news in places the Lord leads me with local churches."

Praise: many opportunities to share the Gospel

Prayer: weather concerns; open and receptive hearts

Zoom Zoom!

Another Honda 125cc motorbike was purchased for a pastor who serves several churches of the Tharu people in Nepal. "It is very helpful to visit believers and their houses and conduct house fellowship in different places," reflected Pastor L.B. Chaudhary.

With his new mode of transportation, Pastor Chaudhary must feel a bit like the disciples in John 6:21—*Then they were willing to take him into the boat, and immediately the boat reached the shore where they were heading.*

Happy trails, Pastor!

Praise: motorbike
Prayer: stamina and safety during travels

Therefore, my dear brothers, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain. 1st Corinthians 15:58

Work at Good Shepherd Moves Forward

Construction continues at Good Shepherd Mission's HIV/AIDS Centre in Puttur, India, with Brother Henry reporting that the first wing should be completed in March. Two individuals who already receive care at the Mission are slated to move into the Centre as soon as possible.

Four Oral Roberts University students are preparing a marketing proposal for the Nimicks to present to various international agencies with AIDS outreach programs. Please pray for the students' vision for this project. Thank you!

Praise: construction continues on the HIV/AIDS Centre

Prayer: vision for the Centre's marketing plan

Bearing Much Fruit

Besides translating for John

Maxwell's EQUIP Leadership Conference of 500 participants, graduating 20 students from his School of Evangelism, and conducting various outreaches throughout the region, Brother David keeps his vision alive for

two projects:

- ◆ the printing of a New Testament Commentary he translated into his own language, the first of its kind (\$2,400), and
- ◆ producing two videos "to answer the most wanted questions of (another faith) as well as Christians" (\$650).

Any amount toward these causes is greatly appreciated.

Praise: students prepared to reach their communities for Christ

Prayer: funding for the projects; 24/7 protection for himself, his family and other Christians in his country

Progress in Mumbai

Peter Akbar is diligently preparing for a training program to be held in Mumbai March 6 and 7. "I am meeting as many pastors as I can to discuss the training program which will benefit their church to reach out to the Muslim community."

Prayer: an influential March 6 & 7 training program; protection for him and his friends with similar outreaches; knowledge and empowerment for those participating
